## LATE KAKA PRIBHDAS TOLANI

1893 - 1988

Founder President  
Gandhidham Collegiate Board

## LATE Ms. J. H. KANAL

1920 - 2004

Founder  
Tolani Institute of Management Studies

## Invitation From Chairperson

It gives me immense pleasure and pride when I look at the graph of growth of TIMS since its inception in 1995. My elder sister, Mrs. Jamwanti H. Kanal took the initiative of setting up this institute and there has been no looking back. Today we have developed into one of the premier institutes of our state. The placement records of the past 14 years speak of the success story of our students who have scaled high positions in various national and multinational companies. It is their knowledge, dedication and hard work that have taken them so far, but the role of the institute in shaping their professional careers cannot be denied.

Our father, the Late Kaka Pribhdas Tolani, has constantly guided us with his beacons of light: honesty, hard work and affectionate warm relations with all around us. He taught us how to bond with each other and today we are better known as "Tolani Parivar." I think that is the success story on completion of our 43-year journey of "Vidya Mandir" campus with 8000+ students pursuing academics in disciplines like Arts, Science, Commerce, Engineering, Pharmacy, Management, Law, etc. We continue to blaze new trails of glory.

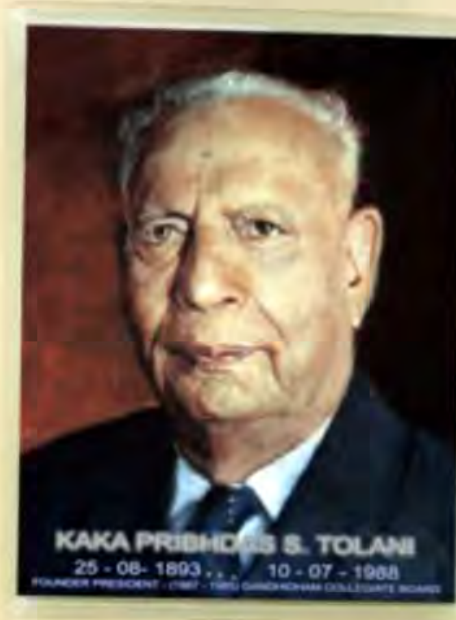

When TIMS students graduate with specialization in Marketing, Finance and Human Resource Management, I am confident that the industry will welcome them with open arms offering good placements in various capacities.

I wish all the students success and the very best in life.

### **Anjana Hazari**

Chairperson

TIMS Governing Council

## Director's Message

With a vision to be center for excellence and developing ethical professional managers capable of facing challenges of the competitive global environment, TIMS has, from its very inception, developed humane leaders and entrepreneur of essence through quality management education. The achievement of our alumni is testament of our commitment to that mission.

At TIMS, students are the epi-centre of the learning process. In addition to acquiring knowledge of the latest management trends and most innovative management tools, students develop their interpersonal skills: communication, e-communication, negotiation, teamwork, leadership, etc. These skills make them differentiated leading professionals in the corporate world.

Today in this dynamic and even more challenging environment, I am confident that TIMS offers an intense, multi-dimensional professional development that prepares our graduates to contribute lasting value to all types of organizations, in all sectors, and wherever there are opportunities to make a positive difference for business and society.

I extend a hearty invitation to you to visit the TIMS campus and interact with our faculty members and the graduating students to learn more about the Institute, the Program, and how we may work together in enhancing our nation's competitiveness.

With Best Wishes

**CMA Ashutosh Bhambhani**  
Director-PGDM

## About the Institute

Established in 1995, TIMS, an institute of repute, has been instrumental in nurturing the dreams and aspirations of some of India's brightest minds through a mix of intensive curricular and co-curricular activities. Since inception, TIMS is progressively moving ahead on the pathway defined by its Mission of becoming one of the Best Management Institutions. This was made evident when TIMS was rated, second consecutive time, as A+ grade management institute by Business India Survey 2010. TIMS has gained tremendous attraction both from the students and corporate on the ground of producing Ethically & Morally strong Qualitative Managers since one and half decades of its existence.

The programs at TIMS aimed at developing in each student, a mastery of fundamentals, versatility of mind and motivation for learning, making them well-rounded leaders of the highest professional competence. Our students acquire various entrepreneurial qualities and management skills by organizing and executing a plethora of events and fests round the calendar. The state of art infrastructure at the campus supports to raise the standards of our graduates commensurate with the demands of the industry.

## Program Information

The Post Graduate Diploma in Management ( PGDM ) Program has four mutually supportive learning segments: Interactive Learning, Course Projects, Summer Internship and Final project.

The classroom segment exposes the students to theory and concepts related to basic management disciplines and development issues through different core and elective courses. The pedagogy of the program is highly interactive. It envisages active participation and action learning. Teaching methods include lectures, case-studies, assignments, presentations, group discussions, business games, role plays, simulations, video films and Industry visits. The emphasis is on involving participants to make learning participant-centric and help them relate the concepts, ideas and theories to their own experiences. Consistent with recent advances in training technology, the program integrates the use of computers with learning of basic principles in different functional areas.

Eight weeks Summer Internship provides the students with a learning opportunity and practical work experience in Organizations of repute to apply the management concepts learnt in the classroom to real life situations and helps them develop innovative target oriented solutions to the major issues faced by the organizations.

Final Project is offered in the second year to undertake long term studies on a particular topic with a view to provide the students an opportunity to rigorously analyze and apply managerial insights to complex management problems.

# TIMS Curriculum

The curriculum provides comprehensive knowledge and skills to manage business in the emerging global environment.

## YEAR - I (Trimester I, II & III) Compulsory Courses

Business Mathematics  
Communication Skills  
Financial Management  
Human Resource Management

### Port & Shipping

Chartering Practices  
Fundamentals of Shipping  
Liner Trade Practices  
Risk Management & Marine Insurance  
Shipping & Customs Law

## TIMS Knowledge Bank

Knowledge Bank plays a pivot role in dissemination of knowledge, information, insights and intellect for management learners.

Our Knowledge Bank houses 7000 plus selectively chosen books. It includes resources relevant to teaching, learning, training, research and consultancy needs of the institute. About 90 legendary, national and international, periodicals and journals are subscribed to help the students to keep abreast with recent trends of globalization. Further we have an extensive collection of corporate annual reports and Audio Visual references which makes TIMS Knowledge Bank an excellent Knowledge Destination.

Knowledge Bank is fully computerized with the user friendly software SOUL (Software for University Libraries). This software facilitates automated circulation, issue & return of the books and speedy access to bibliographies, locations and availability information of the books stocked in the Knowledge Bank. Books have been bar coded to facilitate easy access and retrieval.

TIMS had a subscription of Emerald online resource. Emerald publishes over 700 titles, comprising of 200 journals, over 300 books and more than 200 book series.

## TIMS iCenter

iCenter provides modern computing facilities, consistent with its philosophy that the use of Information Technology is critical component of management education.

iCenter is equipped with State of the Art system division, with 120 computers. The computers are fully equipped with latest softwares including statistical software SPSS. Latest addition in iCenter is language lab software "Words Worth", with an objective to enhance students language skills to make them competent for the global business environment.

The entire TIMS campus is connected through and equipped with High Speed Broad Band Wi-Fi access, facilitating seamless internet connectivity to all the users.

## TIMS Students Residencia

Institute provides hostel facilities separately for girls & boys located near the campus. Both hostels comprise spacious and well furnished rooms on twin sharing basis. Apart from excellent Live-in & Mess facilities, the Residencia also provides facilities for indoor games, cable TV and other facilities to make students feel homely far away from their homes.

# Welcome home to TIMS !

I feel privileged to invite you to our vibrant campus and be a part of our Placement Program for the 16th batch of Post Graduate Diploma in Management.

An interdisciplinary approach of learning, energizing with research, education and extension is the hallmark of TIMS. I am confident that the students of our institute will live up to your expectations as they have been doing so far. They are highly competitive and can work in the challenging environment of various organizations. I can assure you that you can bank on the talents of our students and recruiting them will be worthwhile. We have received overwhelming response from the recruiters over the years with a high level of satisfaction of our graduating students.

This brochure collates all the relevant information for your participation in the Placement Program. We look forward to forging stronger bonds of co-operation to experience uncharted territories of excellence.

We, TIMS Corporate Relations Team, look forward to working with you and understand your human resource needs to identify exceptional TIMS students to serve your esteemed organization. We would like to heartily welcome you as our Placements Partners to crunch your thirst of quality human resource.

With regards and good wishes.

**Dr. Tejash Pujara**

Head - Corporate Relations

12

## PLACEMENT PROCESS

**Final Placement** - The Campus Recruitment Process commences from month of September. The batch of 2010 - 2012 with the strength of 116 students is gearing up to deliver their best to you in Recruitment Process of your esteemed Organization.

**Pre Placement Talk (PPT)** - Pre-Placement Talk has been the standard practice to facilitate interaction between the industry and the students. The organizations participating in the placement process are requested to make a brief presentation about themselves, the opportunities and prospects ahead for the aspirants along with the detailed job description for the positions they wish to recruit for and package being offered. In order to facilitate the process of PPT, the institute will provide necessary infrastructure.

**Curriculum Vitae** - The institute has a standard format of CV's of the students applying to various organizations. However, in case any organization has a format of its own, it may be sent in advance to facilitate the process.

**Summer Internship** - At the end of the first year, the students are required to undergo Summer Internship for 6 to 8 weeks during the months of May and June. Summer Internship provides opportunities to learn and experience management practices under the guidance of experienced practitioners. The objective of Summer Internship is to give students an opportunity to apply management techniques, develop sound decision making abilities and learn about organizational structure and culture.

## Corporate Speaks

"It is indeed a pleasure to have been associated with an Institute par excellence. Imparting knowledge and building better communities is so internalized in the management that never ever will this institution fail or its students come out below average. I have been witness to a few events and the methodical planning of every step and practical approach by the Institute itself speaks a lot. My best wishes to all the outgoing students and may God give them brilliance and success in their future endeavours."

**CA Mitesh Dharamshi**

General Manager, Parekh Marine Agencies Pvt. Ltd  
Chairman, Gandhidham Branch of The Institute of Chartered Accountants of India."

## An Alumnus Speaks

In my opinion, Management Education gives one a cutting edge in Public Services, since that too is an organization and you still have to manage resources both Physical and Human. I, a TIMS alumni of 1999-01 batch followed by Uttar Pradesh State Services Exams, Batch 2006 strongly feel that the conducive physical and the emotional atmosphere provided in the institute is at par with any other B-schools of the country. The values and the beliefs that the tough gets going has inculcated strength to handle the day-to-day adversities with the correct skill and attitude required to do so. The motivation and the grooming provided in the institute gives tremendous pride to all her alumni, like me....

**Ms. Alka Singh**

DSP, UP Police,  
TIMS Alumni (Batch 1999-01)
